Cell Line available for :  
human, mouse, rat, bovine and more!

# Cell Lines & Primary Cells Special Offer 20%

LIMITED TIME ~2023. 12. 21

## Mycoplasma PCR Detection & Elimination Kit

Highly Specific & Sensitive

Get results in only 1 hr

Detects 200+  
Mycoplasma species

Easy-to-use  
(no DNA isolation needed)

Simple & FAST

### Effective Elimination

- Direct addition to cell culture
- Eliminate 70+ Mycoplasma species
- Results in 4-6 cell passages
- Non-toxic to most mammalian cells
- Tested on popular cell lines (e.g. HeLa)

Cat	Product		20% Off
G238	PCR Mycoplasma Detection Kit	100 rxn	339,000
G398	MycoAway™ Mycoplasma Elimination Cocktail (1000X),	1.0ml	233,000
G238-G398	Mycoplasma PCR Detection & Elimination Kit		475,000
